Re: FFP PAC, Committee ID C00500009

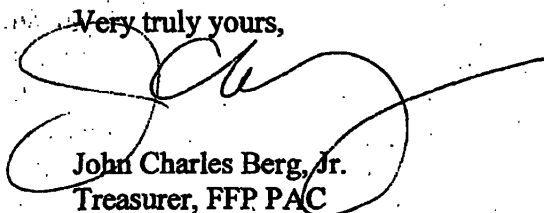

To Whom It May Concern:

The above-referenced PAC was organized as an independent expenditures only PAC. This is to advise you that in light of the Consent Judgment of August 19, 2011 issued in *James J. Carey, et al v Federal Election Commission*, Case No. 11-259-RMC, United States District Court for the District of Columbia, this PAC also intends to make direct contributions to candidates. This will be accomplished in accord with the Consent Judgment, and, particularly, numbered paragraph 2 of that judgment which provides:

2. The Commission shall not enforce 2 U.S.C. §§ 441a(a)(1)(C) and 441a(a)(3), as well as implementing any regulations, against Plaintiffs with regard to contributions NDPAC receives to make independent expenditures, as long as NDPAC maintains separate bank accounts (1) to receive such contributions for the purpose of making independent expenditures, and (2) to receive source- and amount-limited contributions for the purpose of making candidate contributions, and as long as each account pays a percentage of its administrative expenses that closely corresponds to the percentage of activity for that account, and complies with the applicable limits for the source- and amount-limited contributions it receives for the purpose of making candidate contributions.

If you have any questions or concerns, please contact me.

Very truly yours,

John Charles Berg, Jr.
Treasurer, FFP PAC
